

USA Football ‘Gold Standard’ Background Screening Program

NCSI’s Fully Managed Background Screening Program for USA Football Members is the Gold Standard for background checks in the youth-serving industry. This program is a combination of comprehensive searches for criminal and sex offender information along with full administration of the process by NCSI to provide maximum protection for the kids at a reasonable cost to the organization.

Search Components

NCSI’s Check-it-Twice™ searches are the foundation for the program and are run through two independent, screened and selected national database providers. These searches are:

- National Criminal Database Search
- All Available State Sex Offender Registries Search
- Social Security Number & Address Verification
- OFAC Federal Terrorist Database Search

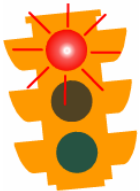

In addition to the Check-it-Twice™ searches:

- County Courthouse Search of county of most recent and longest residency in the past five years
